Docket No.: H01.2I-11703-US01

**RESPONSE TO NOTICE OF MISSING REQUIREMENTS**

The Notification of Missing Requirements indicated that the number of claims in the international application and the number of claims in the translation are not the same. Applicant's attorneys do not understand this defect because the published application has 38 claims, and the English translation submitted contains 38 claims. All of the multiple dependency was eliminated in the Preliminary Amendment filed with the application when we entered the national stage.

This papers is believed to fully respond to the Notification of Missing Requirements.

Respectfully submitted,

VIDAS, ARRETT & STEDNKAUS
